We are thrilled that Bobs & Lolo are once again performing throughout the day at the Family Fair and will be playing songs from their new album, *Action Packed*.

Did you also know that you can now catch your favourite children's performers on TreehouseTV! As of Feb 6 the network is broadcasting a rotation of music videos from their award-winning DVD, *On Your Feet*, in its schedule.

New this year we have a magician, Dennis Hewson, who will also be doing 2 shows on the main stage and roving the event enthralling kids with his magic in between!
